Subject: FW: 00 MK - Blakelands - Broad Review ToR - PDS Comments.Apr 19

Dear Marc

Hope you are well.

Please see attached the draft document for the review. We have decided to go for the broader review. You will see comments/suggestions as a result of us passing it around internally. I haven't provided a final version as I wanted your thoughts on the comments. Happy for you to give me a ring to discuss and explain better. The first part has thoughts at the side of the 10 issues, but some of these have been included as specific questions in the various sections.

Attached to this email is a copy of some emails that Sharon (legal) wanted you to see. She has also written to Brett Leahy (former Head of Planning) and [REDACTED] (case officer) to ask whether they would be prepared to be interviewed but she has had no response to date. Sharon will be providing you with a copy of the letters for information. I also have some emails that Paul wants you to have and I will send these next.

When you have finalised the document, we can then consult with the residents, Scrutiny committee members and DCC members.

Finally, we need to formally agree your arrangements in writing, ie. Fee etc. Can you forward me the details.

Thank you again for all your help.

Kind regards

Tracy Darke
