Further to your recent request for information held by King’s College London, I am writing to confirm that the requested information is held by the university.

Your request

We received your information request on 28 September 2020 and have treated it as a request for information made under section 1(1) of the Act.

You requested the following information:

Can you provide the following information for graduates applying for A100 medicine in an excel sheet:

- 1) Home or International student*
- 2) Nationality of the student*
- 3) Title of Degree*
- 4) Degree class (eg: 1st, 2:1)*
- 5) Do they have Master or PHD? If yes, please provide the title of the Masters or PHD and the result*

Our response

Please see attached excel document. Please note A unique ID has been provided for the requester to match up degree results with applications. Data has only been provided for applicants that provided degree results as part of their application. Degree data is provided by applicants themselves. If the qualification were a condition of their offer, we would ask for proof of their award before issuing an unconditional offer. These grades are not necessarily accurate.

This completes the university's response to your information request.
