26.74 sq km
4,006 plots.

- f) The total number & area of lots which have been taken under schedule 16 that under current design will be required on a permanent basis?**

17.10 sq km.
2,404 plots.

FOI-22-4578-R

a) The total area of property permanently required and the number of plots in that area?

46.87 sq km.

5,975 plots (partial/whole).

b) The total area of property temporarily required and the number of plots in that area?

8.71 sq km.

2,281 plots (partial/whole).

c) The total number and area of plots where the purchase has been fully completed?

Refused under Regulation 12(4)(b).

d) The total number and area of plots where an offer has been made & the purchase is in progress?

Refused under Regulation 12(4)(b).

e) The total number & area of plots which have been taken under schedule 16 for use on a temporary basis?

7.16 sq km.

1,765 plots (partial/whole).

f) The total number and area of plots which have been taken under schedule 16 that under current design will be required on a permanent basis?"

18.15 sq km.

2,361 plots (partial/whole).

FOI-22-4602-R

Please can you provide updated current information on HS2 phase 1 property lots

a) The total area of property permanently required & the number of lots in that area?

46.83 sq km.

5,991 plots (partial/whole).

b) The total area of property temporarily required & the number of lots in that area?

8.52 sq km.

2,273 plots (partial/whole).

c) The total number & area of lots where the purchase has been fully completed?

Refused under Regulation 12(4)(b).

d) The total number & area of lots where an offer has been made & the purchase is in progress?

Refused under Regulation 12(4)(b).

e) The total number & area of lots which have been taken under schedule 16 for use on a temporary basis?

6.87 sq km.

1,725 (partial/whole.)

f) The total number & area of lots which have been taken under schedule 16 that under current design will be required on a permanent basis?

11.34 sq km.

1,615 (partial/whole).

FOI-22-4707-R

a) *The total area of property permanently required and the number of plots in that area?*

47.14 sq km.

6,020 plots.

b) *The total area of property temporarily required and the number of plots in that area?*

8.63 sq km.

2,265 plots.

c) *The total number and area of plots where the purchase has been fully completed?*

Refused under Regulation 12(4)(b).

d) *The total number and area of plots where an offer has been made & the purchase is in progress?*

Refused under Regulation 12(4)(b).

e) *The total number & area of plots which have been taken under schedule 16 for use on a temporary basis?*

7.06 sq km.

1,782 plots.

f) *The total number and area of plots which have been taken under schedule 16 that under current design will be required on a permanent basis?*

2.75 sq km.

286 plots.

FOI-23-4861-R

a) The total area of property permanently required & the number of lots in that area?

The total area is 47.16 sq km.

The total number of property plots is 6,024.

b) The total area of property temporarily required & the number of lots in that area?

The total area of property temporarily required is 10.26 sq km.

The total number of property plots temporarily required is 2,000.

c) The total number & area of lots where the purchase has been fully completed?

Refused under Regulation 12(4)(b).

d) The total number & area of lots where an offer has been made & the purchase is in progress?

Refused under Regulation 12(4)(b).

e) The total number & area of lots which have been taken under schedule 16 for use on a temporary basis?

The total number of plots which have been taken under schedule 16 for use on a temporary basis is 1,965.

The total area of plots which have been taken under schedule 16 for use on a temporary basis is 10.13 sq km.

f) The total number & area of lots which have been taken under schedule 16 that under current design will be required on a permanent basis?"

The total number of plots which have been taken under schedule 16 that under current design will be required on a permanent basis is 374.

The total area of plots which have been taken under schedule 16 that under current design will be required on a permanent basis is 3.49 sq km.

FOI-23-4897-R

Thankyou for last reply on this subject in FOI-23-4861, which showed some significant movement in the property numbers.
