

**FOI: 11410267 Protocols for working with parents who are disabled**

1. Please provide copies of any policy and or protocol you follow when dealing with parents who are disabled.
2. Please provide copies of any policy and or protocol you follow within children's services when dealing with parents who are disabled.

Your request for information has now been considered under the Freedom of Information Act 2000. Unfortunately the information requested is not held by the Council. However we do follow protocol under the Equalities Act. This policy can be found on the public domain.

I am sorry that your request cannot be met by the Council on this occasion.
