

Your request and our response are set out below.

## Request

The County as LEA has responsibilities under s508(1), s507a(1) and 507b (1)(a) and (b) re provision of recreational and leisure time facilities for under-132 and 13+ children/young people.

Please provide:

1. List of projects run by or assisted by County in this regard in this current year and the year before, and expenditures involved
2. Which of these are run directly by County and which by voluntary or other bodies.
3. Please repeat this exercise for the year 2010-2011.

## Response

In response to your FOI request received on 6th August 2020, a search has now been completed in Children's Services for the information you requested, and the Authority does not hold the information required to respond to this request.

It is likely that these projects would be delivered by schools themselves so ESCC does not appear to hold the specific details of them or record the expenditure as you requested.
