Dear Mr Rambler,

**Freedom of Information Act 2000**  
**Request for Information: Information Provided**  
**Subject: Public Rights of Way**

We write with regard to your recent enquiry for information held by the Council under the provisions of the Freedom of Information Act 2000. We trust that the information provided is satisfactory.

For future reference we publish information on our website, including the Freedom of Information Publication Scheme and summary of Freedom of Information requests and responses that may be of help to you in searching for information. Our website is mentioned above.

It is important to note that under the Privacy and Electronic Communications (EC Directive) Regulations 2003 the Council asks not to receive unsolicited marketing communication.

**Request**

I was looking on <http://www.rowmaps.com/>

This lists all the authorities that have digitally published their PROW maps. From that I have deduced that you have NOT.

I make this request under FOI, EIR or Inspire regulations published on the ICO website.  
I would like to request the following information BUT not the data itself

1. Where and how does your authority hold its public rights of way, indicate any that are used, and what that system is.  
In Paper form,  
In a GIS system,  
In a Asset management / Highways system, In the authorities LSG.

2. Is your data available readily to the public as opendata and published either on your own website or on data.gov.uk, if so what is its URL.
3. Have you published this on your website as an interactive map, if so what is its URL.
4. If a request was made to release it, would you release it.

## Response

The Council's Public Right Of Way (PROW) information is available to the public in paper form on request. We are currently reviewing how we present Newham GIS data to the public which would include areas like PROW.

If you require any further information or are not happy with our response please do not hesitate to contact a member of our team on (020) 8430 2000 or email us at [information.governance@newham.gov.uk](mailto:information.governance@newham.gov.uk).

Yours sincerely,

**Complaints, Members Enquiries and Information Governance**  
Newham Council
