INFORMATION REQUEST REFERENCE 16026

Dear Mr Pemberton,

Thank you for your information request, received on 25 March 2016. You asked the London Legacy Development Corporation (Legacy Corporation) to provide the following information under the Freedom of Information Act 2000 (FOIA):

West Ham has also announced that planning permission for the digital wrap around has been applied for. Would you please include in your answer how this stadium improvement has been funded: as part of the conversion project, [...] or another way.

Please note: A revised planning application has recently been submitted for an alternative wrap for the Stadium which, while it includes a digital screen, is mainly comprised of fabric banners so is not being referred to by Legacy Corporation as a "digital wrap".

The wrap is not part of the original Stadium transformation works. The cost of the wrap is being funded as a joint project by E20 Stadium LLP and West Ham United.

The planning application is available to view on the Legacy Corporation planning register under reference: 16/00106/ADV. The Planning Register is accessible here: [LLDC Planning Register](#)

If you are unhappy with our response to your request and wish to make a complaint or request a review of our decision, you should write to:
