Dear Mr Collins,

**Re: Freedom of Information Requests 1773395 – Barnet & 1806995 - Harrow**

Thank you for your recent Freedom of Information requests for the Public Health Team structure charts, for the London Borough's of Barnet & Harrow:

*Dear Barnet/Harrow Borough Council,*

*Please can you reply with a list or an organisational chart, including the names and job titles of every person that work within the councils Public Health Department.*

I attach our current structure chart for both Boroughs, showing job titles and grade. However in order to respect individuals security I cannot supply the names of persons currently in these roles.

Please feel free to contact me should you have any further queries.

Yours sincerely,

Dr. Andrew Howe  
Director of Public Health
