We'd like to remove payphones in your area so please tell us your views. Our 90 day consultation ends on 15 October 2020

Dear Chief Planning Officer,

We're continually reviewing the demand for our payphones and we've identified 7 public payphones in your area that aren't being used enough. We're proposing to remove them under the 90 day consultation process. The list of payphones is attached.

To make sure that the local community are fully informed, we've placed consultation notices (including the posting date) on these payphones. A sample notice is attached.

Why do we want to remove payphones?

Overall use of payphones has declined by over 90 per cent in the last decade and the need to provide payphones for use in emergency situations is diminishing all the time, with at least 98 per cent of the UK having mobile coverage. This is important because as long as there is mobile network coverage, it's possible to call the emergency services, even when there is no coverage from your own mobile network provider.

Also, Ofcom's [affordability report](#) found that most people no longer view payphones as essential for consumers in most circumstances.

How can a community keep a red phone box?

This is a great opportunity for local communities, councils and charities, to adopt their red phone box and make it an asset for everyone to enjoy. People across the country are using them for everything from defibrillators to foodbanks. It's really simple to do and costs just £1 - <http://bt.com/adopt>

What we're asking you to do

We'd welcome your feedback on whether the payphones are still needed and we'd appreciate your help.

Ofcom's [statement](#) following their 2005 review of universal service in the telecommunications market gives the responsibility to the local authority to consult with the local community on the removal of payphone service. They would normally expect these consultations to involve other public organisations such as parish or community councils and work within the terms of the Communications Act 2003.

What to do next

Please complete and return the attached annex with your decision on each payphone by email to xxx.xxxxxxxxxxxxxx.xxxx@xx.xxx. Please retain proof that the email was sent or apply a read receipt.

- Just select **agree** if you're happy for us to remove it.
- If the local community wish to **adopt**, please provide their contact details and we'll do the rest.
- If you decide to **object**, you'll need to complete the last column with your reasons. You must be able to objectively justify your decisions based upon telephony needs. Annex 1 in [Ofcom's full guidance about removing phone boxes](#) states that BT's Universal Service Obligation applies to the telephone, not the phone box. The guidance also details the appeals process we must follow for unreasonable

objections. It would, for example, be inappropriate for a local authority to object to removal of a public call box because it is a local landmark or on 'heritage' grounds,

We'll assume you have no objection to the removal of a payphone if information on the form is incomplete or an adoption does not proceed.

If you've got any questions, please email us at xxx.xxxxxxxxxxxxxx.xxxx@xx.xxx

Yours faithfully

Rick Thompson

This email contains information from BT that might be privileged or confidential. And it's only meant for the person above. If that's not you, we're sorry - we must have sent it to you by mistake. Please email us to let us know, and don't copy or forward it to anyone else. Thanks.

We monitor our email systems and may record all our emails.

Notice date:

We're thinking about removing this payphone

Our research shows that this payphone just isn't used enough for us to carry on running it.

Because of this, we think we should remove it.

Do you have any comments or feedback?

If so, please contact your local authority within 42 days of the above date.

If you'd like to know where the next nearest payphone is, or who your local authority is, please call **0800 661 610** and choose option 1.
