Thank you for your request received on 31 December 2021, for the following information:

Recently a number of bus shelters have been replaced with new black variants with metallic benches, visible for example at Edgware Station/Station Road (Stop B) and Hammers Lane at Shakespeare Road. These are not the typical TfL grey/black and red style, visible on Watford Way (southbound) at University College London Observatory for example.

Please provide a list of all sites which have had these new bus shelters installed, all sites which are planned to have these shelters (or any new shelter of different design) installed, and expected timescales of the bus shelter replacement works to be completed.

We have processed this request under the Freedom of Information Act 2000.

Please find attached spreadsheet

The Clear Channel Shelters that are replacing the JC Decaux shelters are all the same - i.e. black with metal seats.

The FSU relates to Free Standing Units so these are not relevant to the question but I have included in the attached spreadsheet as they are part of the Bus Shelter

Programme - All assets in the programme that are Bus Shelters are clearly identified in the spreadsheet.

Advice and Assistance : Direct Marketing

If you are a company that intends to use the names and contact details of council officers (or other officers) provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
