Dear Mr Whittaker,

## Environmental Information Regulations 2004 <br> Request for Information - Review of Exemption Decision

Further to your recent request for access to environmental information held by East Riding of Yorkshire Council. You have asked that the Council review its decision not to make the information available. I therefore confirm that a senior manager will carry out a review of the decision within 40 working days which I estimate to be 30 August 2017, due to a bank holiday. I will write further with the outcome of the review.

Yours sincerely

## K Parter
