Dear Mr Frankham

**Freedom of Information Act (FOIA) Request – 190917031**

Thank you for your request received 17 September 2019 in which you asked for the following information from the Ministry of Justice (MoJ):

**I am requesting all recorded information that confirms whether or not the Queen's Bench Division of the High Court's of Justice has jurisdiction over inferior courts and local authorities and in particular police Constables and those that operates as a colorable fiction (equity law) of law.**

**When only the Queen's Bench Division masters have the inherent jurisdiction of both Common Law and equity, if this is no longer the case or inaccurate please provide clarification.**

**In particular the common law side of the Queen's Bench and the master's inherent jurisdiction to hold inferior courts and local authorities who all operate as colourable fiction (equity) of law to account.**

Your request is being handled under the FOIA.

I have considered your request for information but I am unable to answer it without further clarification. Section 1(3) of the FOIA does not oblige us to answer requests where we require further clarification to identify and locate the information requested.

So that I provide you with the right information, please can you explain what you mean by “...**colorable fiction (equity law)** ...” On receipt of this information I will continue to process your request.

Yours sincerely
