<u> </u>	Dancing	

ACTIVITY	CAVEATS
Dayboat and Open Keelboat Sailing	
Deck Hockey	
Dinghy Sailing	
Dioramas (incorporating electrical devices)	
Duke of Edinburgh Award Schemes	Where Cadets are placed on Work Experience the employer would be responsible for providing Insurance Cover.
E	
Engineering, visits, courses and events	
Engraving Machines – operation of	Only to be operated by suitably qualified CFAVs
Environmental Studies	
Expeditions and Expedition Training	
F	
Fencing	Foil, Epee, Sabre
Ferrying	Defined as the movement of cadets and CFAVs by MOD vessels, or vessels contracted to MOD, which are authorised to carry civilian passengers
Fieldcraft (inc. Fire Lighting)	
Field Gun Displays	Pyrotechnics only to be operated by suitably qualified CFAVs, under Cadet Field regulations.
Fire Fighting Training	Training only. Public Liability will not apply in respect of damage to MOD property.
First Aid Training	This includes First Aid Competitions
Fishing	
Flights in MOD Aircraft	This includes Helicopter Flights
Flights in Non MOD Aircraft	This includes Helicopter Flights. As passenger only. Public Liability Insurance must be obtained from the owner of the aircraft.
Football	
G	
Gardening	Petrol and Electrical Equipment – CFAVs only
Gardening Equipment – Mechanical Maintenance of	CFAVs only
Generating Equipment, Petrol, up to 5 KVA, restoration of at Camp Sites	CFAVs only

ACTIVITY	CAVEATS
Gliding Training	Solo and Dual Control including ground handling, Public Liability cover provided by MOD
Go-Karts, Construction and maintenance of	Provided these vehicles are only used on private roads or trackways and are not used to race.
Gymnastics	Including High Box and Vaulting
Н	
High and Low Ropes Course	Approved cadet Force supervised use of Service or commercial courses only. Civilian providers must be AALA licensed. Approved Cadet Force HQ courses only. Prior approval by SO2 Adv Trg, HQ RAFAC is essential - ATC and MOD-sponsored courses and HQ RAFAC
Hockey	
Horse Riding	Including Show Jumping
Hovercraft – Construction of	For use by Cadet Force personnel only. ATC personal accident cover only. Public Liability cover is not provided by MOD for Hovercraft operations.
I	
Information Technology Training	
International Cadet Exchanges – MOD Arranged	Appropriate clearance required from MOD Desk Officer
International Cadet Visits – Unit/HQ organised	Appropriate clearance required from MOD Desk Officer
International Overseas Adventurous Training Expeditions	Appropriate clearance required from MOD Desk Officer
J	
Jet Skiing	Over 16's only
K	
Karting	This includes Go-Karting
Kite Surfing	
L	
Leadership Courses	
Life Saving	
M	
Map Reading	
March and Shoot Competitions and Training	
Marine Engineering	Approved Cadet HQ Courses only
Marketing and Public Relations Activities	
ACTIVITY	CAVEATS

Martial Arts	Non-contact and unarmed only. This includes Self Defence
Mess Dinners	Only where Cadets are present as diners at official MOD functions. Public Liability cover for third parties (for example, catering contractors) is not covered and must be provided separately
Meteorology	
Mixed/Potted Sports (small/short skill and physical tasks)

Motor biking (off-road only)	
Motor Cruising (Offshore)	
Motor Cycle Maintenance	Provided no work is carried out on safety critical areas
Mountaineering (Summer, Winter and Alpine)	Winter Mountaineering covers Snow, Ice and Mixed Climbing, Ice Cave Digging and Snow Shelter Construction
Mountain Leadership Courses	
N	
Navigation, including map reading	
Netball	
0	
Obstacle Courses	On MOD/RFCA maintained property only
Orienteering	This includes Geocaching
Outward Bound Courses	Approved Cadet HQ courses only
Overseas Attachments and Visits	With appropriate clearance
P	
Paddlesport	Including Dragon Boat Racing
Paintballing	At targets only
Parade Training	
Paragliding	Approved Cadet Force HQ courses only. Prior approval of SO2 Adv Trg, HQ RAFAC essential - approved HQ RAFAC courses only
Parachuting	Approved Cadet Force HQ courses only Prior approval of SO2 Adv Trg, HQ RAFAC essential - approved HQ RAFAC
Physical Training (inc. Circuit Training)	
Power Boating	
Projectionist Courses	
Public Displays and Parades, including concerts	
ACTIVITY	CAVEATS
Public Relations and Marketing Activities	
Pulling (Fixed seat rowing)	

Q	
Quad Biking	
R	
Radios – Operation and Construction of	For use by ATC personnel only
Radio Masts, portable, construction of	
Rafting	
Rafts, building of (using Oil Drums, Ropes and Poles)	
Road Marching (as opposed to "marching on roads")	Subject to the approval of the relevant Cadet Force HQ. As per JSP 535 Part II guidelines
Rock-it Ball	
Rounders	
Royal Marines Cadets Training	As per Royal Marine Cadet Training Syllabus
Rowing and sculling	
Rugby	Including 7-a-side
S	
Sailing	Offshore and inland waterways
Seamanship	As per ASCR 1
Sea survival acquaint periods	Instructed sessions run by the Royal navy's CBRNDC School
Self Sufficiency Training	Wild Camping
Service related training and visits	This includes Service history visits
Sheerlegs – Construction of only	For demonstration/presentation purposes only
Shooting and associated skill at arms	On authorised ranges only. Includes Air Rifle, .22 rifle, Cadet GP rifle, LSW and 7.62 cadet target rifle in accordance with PAM 21C. Clay Target Shooting
Signals Training	
Simulators (including flight simulators)	Public Liability must be provided by the owner in respect of civilian simulators.
Skiing (Cross Country, Downhill, dry slope and Nordic)	
Snorkelling	
Snowboarding	
Snowshoeing	
Softball	
Square Rigger Sailing	
Static Displays (including refurbishment of non flying aircraft) – construction and maintenance	Personal Accident cover only. The owner is responsible for All Risks cover if damage to the aircraft occurs. See caveat re Cleaning and preparing Aircraft

ACTIVITY	CAVEATS
Static rebuild of Car Engines	
Sub Aqua Activities	
Surf Skis	
Surfboarding	
Swimming	Only with appropriately qualified lifeguards present or as part of another water sport (e.g. canoeing)
Т	
Table Tennis	
Team Building, problem solving and leadership tasks	
Telephone Systems – construction of internal systems	
Tennis	
Trailers, building (including maintenance and repair of)	Such activity is to be undertaken in accordance with safe practice and only by adult volunteers who are suitable experienced, skilled or qualified. Any work is to be inspected by an independent third party engineer prior to use in conjunction with training activity, to ensure the trailer is roadworthy and meets applicable safety standards
Training	In accordance with single Service training syllabuses
