Dear Mr Burgess

Your request for information

Thank you for your email dated 27 April 2017 in which you have requested '*the most recent RAISEonline reports for Fulford School, Archbishop Holgate's school and Huntington School, all in York*'.

The Freedom of Information Act

Section 16 of the Freedom of Information Act (FOIA) sets out where a public authority has a duty to provide advice and assistance to those individuals who have made a request, or those considering making a request for information.

In this instance, we feel it appropriate to provide you with some advice regarding the RAISEonline data you are requesting, so that you can locate the information you require via the correct route.

The current RAISEonline website will be deactivated very shortly. From that point forward all schools should be using a separate assessment product, which has been created and will be maintained by the Department for Education (DfE). Currently, the RAISEonline product is a joint product, however, going forward this is no longer the case and the data lies firmly with the DfE.

The most recent 2017 data has not been made available to us and we therefore would advise you to make your request to the Department for Education who hold the most recent data you are requesting.

If you wish to re-direct your request to the DfE, please let us know and we will close our file.

Yours sincerely,

A handwritten signature in purple ink, appearing to read 'Ilona Lomas', with a stylized, cursive script.
