Dear [REDACTED]

The Council has seen the third party letters, including the one attached. The objections from local residents simply reinforce the comment made in the Council's Statement that there was no evidence of local support, or lack of objection, to the proposed scheme.

With regard to the letter from [REDACTED], there is no conflict of interest between Council Officers and the appellant's agent. The fact that the agent has previously (several years ago) worked for a predecessor Council (Kennet District Council) under the line management of the current Wiltshire Area Development Manager is not an unusual circumstance as many professional planners move from the public sector into the private sector. There are no interests involved.

The Council has no further comment to make on the third party submissions.

Regards,

[REDACTED]
