Dear Nick Mair,

Re: 2334 – FOI Number of people infected with Covid-19 more than once

Thank you for your request received on 5 January 2021 addressed to Public Health England (PHE). In accordance with Section 1(1)(a) of the Freedom of Information Act 2000 (the Act), I can confirm that PHE partly holds the information you have specified.

Request

Are there numbers for how many people have been infected with covid 19 more than once?

Response

PHE can confirm it holds some information. However, this information is exempt under section 21 of the FOI Act because it is reasonably accessible by other means, and the terms of the exemption mean that we do not have to consider whether or not it would be in the public interest for you to have the information. However, for your convenience we have included the following link:
