Your Request:

Dear Somerset County Council,

In brief I am the inventor of a device that illuminates road markings, Cyclops Road Studs Ltd with a UK granted patent and further granted patents globally.

We are now in talks with some investors who have expressed interest in our device, but we need to demonstrate what the market for active road studs are in the UK.

Can you please tell me:

How much you pay for active road studs plus the installation cost?
Solar Powered and or Hardwired types and if possible, the type you prefer to use?

Our Response:

We do not have any active road studs.

Please quote the reference number 6489042 in any future communications.

I will now close this request.
