Dear Mr Evans

Thank you for your request for information received on the 10<sup>th</sup> January in which you ask the following question:

*Under the Freedom of Information Act 2000, please provide me with the following:*

- 1. For the period from January 2019 - December 2019 (or the latest data that exists), the amount of money spent on refreshments at council meetings. Please break this down by date of meeting and split by product if possible.*
- 2. How much money was spent on refurbishments to council offices in the period from January 2016 - December 2019. Please break this down by year and provide a detail on the refurbishment that took place.*

S1(3) Freedom of Information Act 2000/Regulation a public authority need not comply with a request unless further information reasonably required to locate the information is supplied.

The department dealing with question 1 above requires more clarity on what you mean by Council meetings. Could you please be more precise?

Your request will be put on hold until clarification is received. When we have received clarification, we will continue to process your request from the date of receipt.

If clarification is not received within 30 days of the date of this letter, your request will be considered to have lapsed.

Yours sincerely
