Tom

Thanks for your note. It's business as usual for us. In fact Holt is one of our Tier 1 suppliers and at our team meeting today our analysis is that Holt isn't meeting the 20% fill rate agreed as part of that arrangement. Wanted to give you early sight of this so you can cascade to your relevant colleagues that they need to increase activity/up their game. My teams will be in touch in due course to invite you in to discuss the situation. Look forward to seeing your performance improve over February.

Thanks

Amanda

Hi Amanda

I hope you're well.

I've just tried to call through to discuss the Brookson communication that has recently come to light between Trusts and agencies alike. No doubt you have been contacted by multiple suppliers, however I was wondering if you had any availability tomorrow for quick catch up?

I want to ensure we act in the best interest of our current and potential candidates moving forwards so would be appreciative of any time you have spare.

Kind regards,

Tom
