Dear Ms Watt

FREEDOM OF INFORMATION REQUEST

I refer to your email of 2 September 2017 and apologise for the slight delay in the College's response to that request.

I have attached a number of items of correspondence between May and September 2015 that refer to meetings involving the parties that you highlight in your request. These items are attached as appendices to this letter.

Within the period May to September 2015 there were meetings of the College Board of Management. The minutes of these meetings are already in the public domain through the College's website so I have not included them in this response.

The College also holds one further item of correspondence between the Scottish Government and George Chalmers, the Chair of Glasgow Clyde College, dated 9 September 2015. I note however that this letter is already in the public domain as a result of your FOI request to the SFC so I have not replicated that item in my response.

Yours sincerely

Brian Hughes
