Hi [REDACTED]

Thank you for your applications. Before we can process them we need the information from Part A 5c - Please give details of the directors.

We require the names and full dates of birth of all directors – from Companies House I can see these are listed as:

Mark Robert DRAPER
Jonathan George FAIRCHILD

Please confirm the full dates of birth for the above. If you could also confirm if the directors details are the same for all 4 companies (Peak Gen Power 11, 13, 14 & 18) this would speed up the processing of those applications as well.

If you have any questions please get in touch.

Kind regards
