I appreciate that under 4b it comments upon the lack of definitions, however I attach the EFE Firearms Glossary which NABIS wrote on behalf of the EFE which has since been adopted by the EU as an official EU document for use between MS when communicating between one another.

It may assist.

As promised, attached is a description of the firearms project with a list of those issues we will be paying particular attention to. I highlighted the things that NABIS may be able to assist with, in terms of any sanitised information you are able to provide. Perhaps I should email Martin and Clive directly?

All the best

CC Andy Marsh is the ACPO FELWG lead, I have copied in Mark Groothuis who works for Mr Marsh on these issues. If you contact Mark he will ensure Mr Marsh is briefed on anything you require.

Many thanks for meeting with us on Thursday, we found it immensely useful.

We are working on putting together the discussed list of issues that we intend to focus on in our review. My aim is to send the list to you by the middle of this week.

In the meantime, might it be possible to have the contact details of the ACPO FELWG lead? I assume Mr Marsh has a staff officer, but I cannot seem to find his details.

Thanks again.

All the best

Karl
