Further to my report re changes to the firearms legislation, which is on route to you for consideration of your meeting with the Law Commission. This is a further issue that requires some consideration on the basis that the offence of violence at 'Step 3' does not include firearms offences. I am not sure what could be more violent than the possession of a firearm but we are having to bail 17 year old men because of the attached instruction.

Thanks

Paul

Lisa,

Could you please circulate the above attachment to all supervisors within Stanley Road. I attempted to escalate a Possession of a Section 5 firearm last night against a male who was 17 yrs and classed as a child. I was unsuccessful due to the attached new frame work.

Thanks

Mark Smith
