We would be happy for NABIS to mention the Law Commission's review. For your information I have attached the press release we are publishing this Monday as part of the project's official 'launch'. I have also copied in the Law Commission's press officer. Let me know if you need anything else.

All the best

Karl

NABIS have been approached by the One Show to do a piece on antique weapons. Is there any reason why we shouldn't mention to them that there is a Law Commission review in to firearms which will consider antique weapons. We don't want to say anything unless this is already in the public domain or you have no objections to it.  
For your consideration

Jo
