Ticket types

Ticket types

TfL offers a range of ticketing options and ways to pay:

- Pay as you go (Oyster or contactless) with capping
- Bus & Tram Pass
- Travelcard
- Cash single or return (paper ticket only)

Using bus and tram services only

The following are valid on bus and tram services:

- Pay as you go
- Bus Saver (buses only)
- Bus & Tram Passes
- Travelcards
- Cash single tickets (trams only)

Using Tube, DLR, London Overground, TfL Rail and National Rail

The following are valid on Tube, DLR, London Overground, TfL Rail and most National Rail services in London:

- Cash single tickets
- Pay as you go
- Travelcards

Which zone?

Most Tube, DLR, London Overground, TfL Rail and National Rail services within Greater London are divided into six fare zones. Outside Greater London, services to the following are in Zones 7-9:

Zone 7: Carpenders Park, Croxley, Chorleywood, Rickmansworth, Theobalds Grove, Waltham Cross and Watford

Zone 8: Bushey, Chalfont & Latimer, Cheshunt and Watford High Street

Zone 9: Amersham, Brentwood and Chesham

Tickets must be valid for all the zones customers travel through.

- DLR services only operate within Zones 1, 2, 3 and 4
- Travelcards which include Zones 3, 4, 5 or 6 are valid on trams

Services beyond the London fare zones

London Overground, TfL Rail and National Rail operate services beyond the London fare zones:

- Watford Junction (London Overground and National Rail)
- Shenfield (TfL Rail and National Rail)
- Grays, Purfleet, Chafford Hundred, Ockendon and Broxbourne (National Rail)

Pay as you go

Customers can put money on an Oyster card and then use it to pay for journeys on bus, Tube, tram, DLR, London Overground, TfL Rail and most National Rail services within London. Adults can also use contactless payment cards for pay as you go travel; the fares are the same.

Pay as you go credit on an Oyster card never expires - it stays there until they use it. Once they've used up their credit, they can simply top it up to use again.

Peak and off-peak pay as you go fares

Different pay as you go fares are charged according to when customers travel:

- **peak** fares apply from 06:30 to 09:29 and from 16:00 to 18:59 Monday to Friday (excluding public holidays)
- **off-peak** fares apply at all other times

Customers are charged according to when they touch their card on the yellow reader at the start of their journey.

Off-peak fares during the evening peak

Off-peak fares are charged for customers travelling into Zone 1 between 16:00 and 18:59 on Mondays to Fridays.

- if they touch in at the start of their journey outside Zone 1 between 16:00 and 18:59 and touch out in Zone 1 at the end of their journey, they will be charged an off-peak fare.

[Single fare finder](#) shows the times when peak/off-peak fares apply for individual journeys.

Ticket types

Pay as you go with capping

Capping is a feature of pay as you go. It allows customers to travel as much as they like and limits the amount they pay for their travel. Caps are applied:

- Daily (Oyster and contactless) or
- Monday to Sunday for a week's travel ending on a Sunday (contactless only)

For a cap to apply, customers must touch in and out correctly on all journeys

Bus & Tram Passes

Bus & Tram Passes offer unlimited travel on buses and trams for:

- One Day (Oyster or paper ticket)
- 7 Days (Oyster only)
- Monthly (Oyster only)
- Odd period (Oyster only)
- Annual (Oyster only)

They are valid on:

- The entire London bus network, including sections outside Greater London, but not on certain special bus services and excursions
- All trams

Paper versions of 7 Day, monthly and longer period Bus & Tram Passes are also issued for bulk customers from Oyster Sales Service.

Travelcards

Travelcards offer unlimited travel for:

- A Day (paper ticket only)
- 7 Days (Oyster only)
- Monthly (Oyster only)
- Odd period (Oyster only)
- Annual (Oyster only)

Paper versions of 7 Day, monthly and longer period Travelcards are also issued at National Rail stations

Travelcards

They are valid on:

- Tube, DLR, London Overground and TfL Rail services
- The entire London bus network including sections outside Greater London, on buses that display this sign
This applies to all Travelcards irrespective of the zone(s) they cover. Not valid on certain special bus services and excursions
- Trams, where the Travelcard includes Zone 3, 4, 5 or 6
- National Rail services in London except:
 - Heathrow Connect between Hayes & Harlington and Heathrow
 - Heathrow Express

For all rail journeys, Travelcards must be valid for all the zones travelled in:

- Example 1: if a Tube journey starts at Kennington (Zone 2) and ends at Euston (Zone 1), then a Zones 1 - 2 Travelcard is needed
- Example 2: if a Tube journey starts at Kennington (Zone 2) and ends at Turnpike Lane (Zone 3) then a Zones 1-3 Travelcard is needed, because the journey involves travel through Zone 1

Group Day Travelcard

A Day Travelcard for groups of 10 or more people travelling together at all times:

- in a single day
- for travel after 09:30 until 04:29 the following day
- valid anytime on Saturday, Sunday and public holidays
- adult-rate and child-rate (for under 16s) available

7 Day tickets and Monday to Sunday capping

Customers can travel as much as they like in one week using

- Pay as you go with Monday to Sunday capping with a contactless payment card
- 7 Day Travelcards or Bus & Tram Passes on Oyster

Monday to Sunday capping on contactless

Customers making multiple journeys in a single week finishing on Sunday using the same contactless payment card may have their fares capped.

Monday to Sunday capping is always calculated for all journeys made from Monday to the following Sunday. However, Customers who travel for a single week starting from (for example), Wednesday to the following Tuesday would be capped to Sunday night, if appropriate. The cap is reset on Monday morning.

Monday to Sunday capping is calculated at the end of the each traffic day by aggregating all the journeys made and applying daily caps if appropriate. As the week progresses, the cumulative daily totals are analysed and a Monday to Sunday cap applied where appropriate.

If a Monday to Sunday cap is reached before the following Sunday, any subsequent journeys made with that contactless payment card on bus and tram services or within the zones of the cap are free until the end of the capping period, provided they continue to touch in and out.

Caps are applied to individual contactless payment cards, so journeys made on one contactless payment card cannot be transferred to another e.g. if a card expires mid-week. Customers who have more than one contactless payment card should use the same one for all travel to get a Monday to Sunday cap.

- Adults, and 18+ Student Oyster photocard holders can have a 16-25 National Railcard discount set on their Oyster card/photocard in addition to the priv discount, to get a 1/3 discount on daily caps. The system applies the better value of the discounts at each stage.

Entry and exit charges

Entry and exit charges apply for pay as you go travel on Oyster when no Travelcard is present.

An entry charge is deducted from a customer's pay as you go credit when they touch in at the start of a journey on Tube, DLR, London Overground or National Rail services. When they touch out at the end, the system adjusts the entry charge to ensure the cost of the fare for the journey completed is charged. This means that:

- A credit adjustment is made if the cost of the journey is less than the entry charge
- No change is made if the cost of the journey is the same as the entry charge
- An additional deduction is made if the cost of the journey is more than the entry charge
- If the customer does not touch out at the end of the journey, the entry charge remains

If a customer does not touch in at the start of a journey, but touches out at the end of the journey an exit charge is deducted from the pay as you go credit.

Entry and exit charges are generally based on the Z1-6 TfL-National Rail pay as you go through fare. However, separate charges apply at:

- Brixton
- Chafford Hundred, Grays, Ockendon and Purfleet.
- Denmark Hill, Peckham Rye and Queens Road Peckham
- Shenfield
- Watford Junction,

Customers do not need the equivalent entry/exit charge as a minimum balance on their Oyster card to enter the system. However they do need the minimum fare available from the departure station. This is known as the entry threshold. This means that some customers may end up with a negative balance if the cost of the journey is more than the minimum fare, or if they cannot touch out at the end of their journey. They will not be able to re enter the system until the negative balance has been cleared.
