Dear Requester

Thank you for your request for information dated 19/01/2021 about social housing data. We have dealt with this under the Freedom of Information Act 2000.

Response

The council holds the information requested and the answers to your questions are as follows:

If I may, could I ask for a CSV file including social housing list and location (longitude and latitude, or postcode) and relevant property information (price, number of rooms, building age)?

The information that we have available is published on the Council's Open Data Portal. You can find it by clicking on the link below and searching for "housing list" where you will find many datasets containing housing information.

As the information requested is already reasonably accessible elsewhere it is exempt under the absolute exemption in Section 21.

Further Information:

We do not give our consent for any names and contact details provided in this response to be sent marketing material. Any such use will be reported to the ICO as a breach of General Data Protection Regulations and the Privacy and Electronic Communication Regulations.

Why not check our Portal [Open Data Camden](#) before making a new request as your question may already be answered by a previous [FOI response](#) or in one of our many useful and interesting datasets.
