DepartureID	Standard subject	Workflow state	Date Determined	DepartureSummary
77276	Drainage	Approved	19/01/2016	200m Maximum Drainage Chamber Spacing.
77920	Lighting	Approved with comments	20/06/2016	Specification of LED luminaires
78295	Lighting	Approved with comments	10/11/2016	Limit lighting extents
80188	Lighting	Approved with comments	13/07/2017	Average luminance (specific location)
80084	Lighting Non SHW	Approved	18/05/2017	Specification of XLPE insulated Steel Wire Armour cables
78413	Lighting Non SHW	Approved with comments	10/11/2016	Reduction of minimum spacing between lighting cables and communications cables
78282	Lighting SHW	Approved with comments	20/10/2016	Reduction in minimum cable cover
78321	Motorway	Approved	18/10/2016	Use of equipment site design loads of 1kVA and 4kVA
78522	Motorway	Approved with comments	01/12/2016	Use of approved Highways England MIDAS Radar sensors
78594	Motorway	Approved with comments	23/02/2017	MIDAS detector sites
73769	Road Geometry	Approved	19/01/2016	Merge layout
73780	Road Geometry	Approved	24/08/2015	Girton Interchange - M11 to A428 East Bound Merge Layout
73787	Road Geometry	Approved	14/12/2015	Cross section of Dual 4 Lane All Purpose Road between Bar Hill and Girton junctions.
73792	Road Geometry	Approved	02/09/2015	Girton Interchange West Bound Diverge Layout
73796	Road Geometry	Approved	14/12/2015	Eestbound merge slip road at Histon junction
73798	Road Geometry	Approved	14/12/2015	A14 westbound carriageway from Milton Junction to Histon Junction
73799	Road Geometry	Approved	14/12/2015	A14 eastbound mainline carriageway from Girton Interchange [merge from the A14 eastbound link] to Histon
74242	Road Geometry	Approved	06/07/2016	VMS A1 southbound to Brampton Interchange
74245	Road Geometry	Approved	06/07/2016	Confirmatory gantry for Brampton Interchange
74246	Road Geometry	Approved	06/07/2016	A14 westbound towards Brampton Interchange
74247	Road Geometry	Approved	06/07/2016	Signals westbound between Bar Hill Junction and Swavesey Junction
74250	Road Geometry	Approved	06/07/2016	Signals westbound after Milton Junction merge
74255	Road Geometry	Approved	27/09/2016	Signals & VMS eastbound Bar Hill Junction to Girton Interchange
74257	Road Geometry	Approved	06/07/2016	Signals westbound, east of Girton Interchange
74258	Road Geometry	Approved	06/07/2016	Signals westbound after Histon Junction merge
74263	Road Geometry	Approved	06/07/2016	Signals & VMS eastbound between Histon Junction and Milton Junction
75166	Road Geometry	Approved	06/07/2016	Signals eastbound between Bar Hill Junction and Girton Interchange
75167	Road Geometry	Approved	06/07/2016	Signals eastbound between Bar Hill Junction and Girton Interchange
77020	Road Geometry	Approved	06/07/2016	A14 mainline - eastbound - Swavesey to Bar Hill
77042	Road Geometry	Approved	06/07/2016	Signals westbound Histon to Girton (M11 diverge)
77525	Road Geometry	Approved	07/03/2016	Smart Motorway design standard IAN161/15 for sign/signals under A14 Cambridge to Huntingdon Scheme.
77542	Road Geometry	Approved	19/04/2016	Signals & VMS westbound between Girton Interchange and Bar Hill Junction
77543	Road Geometry	Approved	19/04/2016	Signals westbound Girton Interchange to Bar Hill Junction
78029	Road Geometry	Approved	21/11/2016	Reduction in hard shoulder (specific location)
78033	Road Geometry	Approved	19/01/2017	Relaxations in crest vertical curvature and Stopping Sight Distance (Specific locations)

70444	In 10 1	Ta .	00/40/0040	
78141	Road Geometry	Approved	09/12/2016	Relaxations in crest vertical curvature and Stopping Sight Distance (specific location)
78142	Road Geometry	Approved	09/12/2016	width reduction of offside verge (specific location)
78146	Road Geometry	Approved	16/12/2016	width reduction of offside verge (specific location)
78428	Road Geometry	Approved	10/11/2016	VMS, lane control signals, ahead and exit signing (specific location)
78439	Road Geometry	Approved	21/11/2016	Reduced SSD (specific location)
78444	Road Geometry	Approved	18/11/2016	ADS outside tolerance (specific location)
78489	Road Geometry	Approved	10/04/2017	Introduction of Emergency Refuge Areas (ERA)
78517	Road Geometry	Approved	10/04/2017	Modification of Emergency Refuge Area (ERA) layout
78527	Road Geometry	Approved	16/03/2017	Secondary 1/2 mile ADS (specific location)
78537	Road Geometry	Approved	24/11/2016	Type B diverge layout (specific location)
78553	Road Geometry	Approved	12/06/2017	Omission of conditioning Variable Message Sign (VMS)
78555	Road Geometry	Approved	23/03/2017	Primary 1 mile ADS
78615	Road Geometry	Approved	03/04/2017	ADS Sign
78617	Road Geometry	Approved	23/03/2017	Primary ADS Sign
78648	Road Geometry	Approved	19/05/2017	ERA S2
78650	Road Geometry	Approved	19/05/2017	ERA S3
78652	Road Geometry	Approved	18/05/2017	ERA W15
80080	Road Geometry	Approved	19/05/2017	Reduced provision of verge mounted tiger tail sign
80232	Road Geometry	Approved	03/04/2019	Primary Strategic VMS (specific location)
80286	Road Geometry	Approved	22/06/2017	Confirmatory ADS (specific location)
80290	Road Geometry	Approved	24/07/2017	Reduction in verge width (specific location)
80299	Road Geometry	Approved	24/07/2017	Reduced verge width (specific location)
80304	Road Geometry	Approved	24/07/2017	Reduction of central reserve width (specific location)
81381	Road Geometry	Approved	12/02/2018	Relaxation to Stopping Sight Distance (SSD) & Vertical Crest Curve (specifc location)
73680	Road Geometry	Approved with comments	19/08/2015	Horizontal radius, vertical crest curve and Stopping Sight Distance (specific location)
73681	Road Geometry	Approved with comments	18/04/2016	Vertical crest curve and Stopping Sight Distance (specific location)
73689	Road Geometry	Approved with comments	18/04/2016	Reduction of central reserve width (specific location)
73693	Road Geometry	Approved with comments	02/09/2015	Reduction of reserve width (specific location)
73694	Road Geometry	Approved with comments	18/04/2016	Vertical alignment & SSD (specific location)
73764	Road Geometry	Approved with comments	11/09/2015	Horizontal geometry (specific location)
73768	Road Geometry	Approved with comments	11/09/2015	Diverge layout (specific location)
73781	Road Geometry	Approved with comments	02/09/2015	Horizontal curvature radius, vertical curvature of crest and stopping sight distance (specific location)
73782	Road Geometry	Approved with comments	18/04/2016	Horizontal curvature radius, vertical curvature of crest (specific location)
73788	Road Geometry	Approved with comments	18/04/2016	Verge width (specific location)
73789	Road Geometry	Approved with comments	02/09/2015	Mainline Central Reserve Width
73790	Road Geometry	Approved with comments	02/09/2015	Mainline Vertical crest curve
