

DepartureID	Standard Subject	Workflow state	Date Determined	DepartureSummary
82350	Drainage	Approved	22/06/2018	Bridge deck units (specific locations)
82379	Drainage	Approved	03/07/2018	Existing drainage chambers to be retained
80894	Drainage SHW	Approved with comments	06/11/2017	Use of 4–10mm particle sized granular material for narrow filter drains
78540	Lighting	Approved with comments	16/11/2016	Use of LED luminaires
100308	Motorway	Approved	20/11/2019 17:26	Ducts
100304	Motorway	Approved	20/11/2019 17:17	Ducts
78440	Road Geometry	Approved	16/03/2017	Gantry location (specific location)
78524	Road Geometry	Approved with comments	16/03/2017	Gantry location (specific location)
78529	Road Geometry	Approved with comments	16/03/2017	Sign, signal and VMS gantry location (specific location)
78538	Road Geometry	Approved with comments	19/05/2017	Sign, signal and gantry location (specific location)
78539	Road Geometry	Approved with comments	16/03/2017	Sign location (specific location).
78544	Road Geometry	Approved with comments	16/03/2017	Gateway signals and VMS location (specific location)
78549	Road Geometry	Approved with comments	02/05/2017	Sign and signal gantry location (specific location)
78572	Road Geometry	Approved	27/06/2017	Location of a primary ghost island sign (specific location)
78625	Road Geometry	Approved with comments	02/05/2017	Gateway signals and VMS location (specific location)
78640	Road Geometry	Approved with comments	02/05/2017	1/3m ADS location (specific location)
78659	Road Geometry	Approved with comments	02/05/2017	Location of a primary ghost island sign (specific location)
78661	Road Geometry	Approved with comments	02/05/2017	Forward visibility to GAN (specific location)
78673	Road Geometry	Approved	06/09/2017	Type F – Lane Gain with Ghost Island Merge (specific location)
78674	Road Geometry	Approved	07/09/2017	Reduced weaving length (specific location)
78675	Road Geometry	Approved	24/11/2017	IL1A connector link configuration (specific location)
78773	Road Geometry	Approved with comments	02/05/2017	use a ADS combination of 1/3m and 1m (specific location)
78774	Road Geometry	Approved with comments	02/05/2017	use a ADS combination of 1/3m and 1m (specific location)
78797	Road Geometry	Approved	18/01/2017	Sign and signal gantry location (specific location)
78962	Road Geometry	Approved	27/06/2017	Location of a secondary ghost island sign (specific location)
79004	Road Geometry	Approved with comments	09/05/2017	Location of a secondary ghost island sign (specific location)
80168	Road Geometry	Approved	04/01/2018	Gantry location (specific location)
80177	Road Geometry	Approved	20/06/2017	Type A – Taper Diverge, in place of a Type C – Lane Drop at Taper Diverge (specific location)
80187	Road Geometry	Approved	20/06/2017	Type C (Relaxed); Ghost Island Merge, in place of a Type E – Lane Gain (specific location)
100362	Road Geometry	Approved	04/10/2019 14:21	The location of sign gantry (specific location)
100248	Road Geometry	Approved	24/09/2019 11:47	Through Junction Running (specific location)
100483	Road Geometry	Approved with conditions	03/09/2019 14:13	ADS, signals and VMS gantry location (specific location)

M1 J23a to J25

80356	Road Pavement	Approved with comments	23/10/2017	Use of Geogrid reinforcement at the bottom of the binder-course
82040	Road Pavement	Approved with comments	26/04/2018	Use of unbound Class 2 foundation for design traffic over 80msa.
78653	Road Pavement	Approved with comments	20/12/2016	Use of asphalt reinforcement at the bottom of the binder course
80387	Signals & VMS Non	Approved	09/08/2017	Use of 600 GP cabinets for gantry power isolation
78490	Structures SHW	Approved with comments	29/12/2016	Use of Flowable Concrete
82842	Vehicle Restraint	Approved with comments	18/04/2019	Safety barrier (specific location)
