Dear [REDACTED]

**A404(T) Bisham Roundabout Proposed Improvement Scheme**

I refer to our discussions regarding proposals to upgrade the A404(T) Bisham Roundabout.

RBWM take the view that the revised improvement scheme is preferable to the introduction of a signal controlled crossroads in this sensitive rural location. Whilst there are concerns about the impact of the scheme on local traffic to and from Marlow Road, we note that minor geometric changes to the layout being considered would reduce these impacts.

Therefore I am pleased to say that RBWM is now in position to withdraw our objection to the scheme.

We look forward to working with you on the implementation of the junction improvement scheme.

Yours sincerely

[REDACTED]
