Dear Mr Lofdahl

Environmental Information Regulations 2004

I refer to your email of 22 November 2011, in which you have requested:

- 1) *copies of any correspondence with the Duchy of Cornwall specifically relating to environmental information [a].*
- 2) *copies of any minutes for meetings regarding environmental information [a] relating to the authority and the Duchy of Cornwall.*

[a] for the purpose of this request 'environmental information' means the same as in the EIR.

Both of these requests specifically relate to the period between 1 January 2010 and 1 November 2011.

The Authority is in the process of reviewing your request, however to enable us to progress further it would be helpful if you could clarify exactly what information you require and explain the extent of the information requested. Regulation 9(2)(a) of the Environmental Information Regulations 2004 states:

(2) Where a public authority decides that an applicant has formulated a request in too general a manner, it shall—

(a) ask the applicant as soon as possible and in any event no later than 20 working days after the date of receipt of the request, to provide more particulars in relation to the request; and

(b) assist the applicant in providing those particulars.
