Request	I would like to request past Exam Papers and examiners' reports (external and internal) for English Literature Prelims, Course I and Course II (includes special options) in year 2011-2019. Thank you.

Dear Ms Farrah,

I write in reply to your request for the above information.

Please find attached the UG examiners' reports for the years 2011 - 2019. Most of these reports are in the format of a single document for each academic year that includes both undergraduate and graduate exams.

As well, please find attached the requested exam papers. Please note that before academic year 2012-13 there were no English "Prelims" papers as there was a significant syllabus redesign that year. First year exams up to 2012-13 were done in a different format, and were known as "Honour Moderations", so there are no "Prelims" exam papers available for academic year 2011-12.

Yours sincerely,

FOI OXFORD
