22 May 2020

Dear Mr/Ms Elliott,

Freedom of Information Request Reference FOI-1218850

Thank you for your request dated 24 April 2020 in which you asked the Department of Health and Social Care (DHSC):

Research on the potential effects of 5G on the ability of the human body to absorb oxygen. I wish to ask whether the Secretary of State for Health and Social Care has commissioned any specific research on the potential effects of 5G on the ability of the human body to absorb oxygen. If not, are there any plans to do so?

Your request has been handled under the Freedom of Information Act (FOIA).

The DHSC holds no information relevant to your request.

If you are not satisfied with the handling of your request, you have the right to appeal by asking for an internal review. This should be submitted within two months of the date of this letter and sent to FreedomOfInformation@dhsc.gov.uk, or to the address at the top of this letter.

Please remember to quote the reference number above in any future communication.

If you are not content with the outcome of your internal review, you may complain directly to the Information Commissioner's Office (ICO). Generally, the ICO cannot make a decision unless you have already appealed our original response and received our internal review decision. You should raise your concerns with the ICO within three months of your last meaningful contact with us.

The ICO can be contacted at:

The Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
SK9 5AF

<https://ico.org.uk/concerns/>

Yours sincerely,

Dorothy Crowe

Freedom of Information Officer
