Nichola

Thanks-I think this will go live on the PINS website tomorrow so there may well be a reaction from the Stonehenge Alliance et al fairly promptly.

-do we need a short reactive statement ?

Thanks

Thanks very much for getting this submitted – a great weight off my mind.

Just so everyone is aware – there were no further comments following Kate M's suggested amend of yesterday so the attached submitted below is as the final, final draft that you all saw yesterday.

Thank you for all your efforts on this, particularly . It will be interesting to see the responses from others once they come into the public domain. are you able to keep track of this and alert us once they become available? – thank you.

Regards,
Nichola
