Dear Andrew

Yes I was aware- but many thanks for confirming. I suspect we shall have an offline HMAG to discuss responses when everyone takes in the news!
I think this is the last thing any of us was expecting!

Best wishes

I'm sure you are aware but in case not it is worth noting that a consultation request has been issued by the Secretary of State this afternoon inviting comments on the Durrington Walls article, as well as information submitted to the SoS in mid-June by the Stonehenge Alliance, Blick Mead Project Team and Consortium of Archaeologists. The consultation deadline is the 13th August.
