Nichola

Apologies this is coming so late in the day. I thought I'd give you a chance to look at it first. It is probably too long and I have probably quoted too much back at them but it was to illustrate a point.

You may have heard my message about fonts etc. I will send you a couple of examples we sent earlier –one from Kate L and then other from Kate M. I think as these are supplementary questions it could come from you but see what you think.

Best wishes
