Hi all – just wanted to check in on this and see where we are. I know that you've done a great deal of work on this already , and that you and Nichola have spoken. Do you think you'll be able to get a copy to and I today?
Thanks

Hi

Thanks for this. but as long as I see it on Thursday 31 July that'll be fine.
Nichola – can you share with Kate on Friday 7 August the all but final version for her sign-off?
Best,

Hi all
As you know the Secretary of State for Transport has asked for [official responses in relation to the recent archaeological find within the World Heritage Site](#) by 13 August 2020 – and so and I suggest the following

time line in order to have our submission drafted and signed off in time to meet this deadline – and navigate peoples' leave arrangements.

1. 23 -27 July – drafts submission
2. Tuesday 28 July - sends first draft to Nichola – nb this may just be lacking some information from Historic England who are meeting on 29th
3. Wednesday 29 July – Nichola reviews and comments on 1st draft and sends draft 2 on to
4. Thursday 30 July – review – send back to
5. Monday 3 August – to send to for review - to include anything further from HE
Wednesday 5th August HMAG HS will report back anything of relevance
6. Friday 7 August – Nichola, – final check and to send to Kate Mavor for sign off
7. 13 August – Legal to submit response to DfT.

Can you let me have any comments back if this doesn't look feasible – or if you know of leave that will affect the timetable. – I had a quick look at her calendar and it seems as though Kate Mavor will be around for sign off.

– do these dates work for you?

Thanks all
