See my comments and a few bits of tracked changes on the attached. so either let me have your thoughts by return or give me a call to discuss if that's easier. I'm free for the rest of this afternoon or tomorrow 2.30-3.30.

Thanks,
Nichola

Dear Nichola

Anyway I thought it might be useful for you to see my thinking around this so have sent a tracked changes version- hope it's not too messy. We have plenty of time to sort out the formatting etc later.

I haven't copied in yet but do send it on when you've had a chance to have a look.

Many thanks
Best wishes
