Thanks and well done!

I don't think they could have received a more thorough, informed response from anyone else so I hope it is appreciated. I will forward our final version for your records –which I think is a much more succinct version-as is our role- but hopefully very much in tune with yours.  
Thanks also for your help last week.

Best wishes

Dear and Nichola,

For your information prior to submission here is our finalised response to the Secretary of State's consultation.

Kind regards
