Dear Mr Wade

Proposed Hangers and Offices to Hanger 1, Gamston Airport, Retford

Further to your letter of 29 January 2008 and drawing nos 1541/110, 1541/803 and 1541/800 and to your letter of 2 October 2007 I am minded to agree that the proposals are permitted development within the terms of Part 18, Schedule 2, Article 3, Part 1, Class A of the Town and Country Planning (General Permitted Development Order 1995), on the assumption that they are solely related to the provision of operational services and facilities at the airport. Therefore prior to me formally confirming this I would be grateful if you could confirm that all of the buildings to be constructed are solely related to the provision of operational services and facilities at the airport.

Yours sincerely

Mr D Armiger
