Date: 05/06/2019

Dear R. Venables,

Thank you for your request for information, received by West Yorkshire Police on 13/05/19.

You requested the following information:

I'd like to know how many Revenge Porn offences your force has recorded since it was made illegal?  
Can you list each offence by the date it was recorded, including with each log the sex and age of the victim, whether anyone was arrested and whether anyone was charged?

Please see the attached document.

Section 33 of the Criminal Justice and Courts Act 2015 creates the offences of disclosing private sexual photographs and films with intent to cause distress, commonly referred to as 'revenge porn'.

West Yorkshire Police understand that the consequences of this offence on a victim can be significant and where instances occur where this offence is made out specialist officers situated within our dedicated Safeguarding Units will ordinarily carry out these types of investigations. We are dedicated in our approach towards protecting vulnerable persons regardless of the cause and will continue to take rigorous action against those guilty of such offences.
