Our ref: 3082/20

Date: 25/06/2020

Dear M. Esslemont,

Thank you for your request for information, received by West Yorkshire Police on 01/06/20.

You requested the following information:

I hope you and the team are well. Please can you provide figures on the number of cases of revenge porn reported to the force in the year 2019/20.

Please can you also disaggregate data according to the following information:

- The crime outcome (no action, charge, caution etc) of the offences as well as the number of offences where the victim did not support or withdrew support for police action
- The number of victims under the age of 18
- The gender of the victim

Please also provide, where possible, cases in which the case involved social media. I understand this isn't routinely logged, so please just include notes from free-text searches for key words ("social media" , "Twitter", "Facebook" etc) where available.

Please see the attached document.

Section 33 of the Criminal Justice and Courts Act 2015 creates the offences of disclosing private sexual photographs and films with intent to cause distress, commonly referred to as 'revenge porn'.

West Yorkshire Police understand that the consequences of this offence on a victim can be significant and where instances occur where this offence is made out specialist officers situated within our dedicated Safeguarding Units will ordinarily carry out these types of investigations. We are dedicated in our approach towards protecting vulnerable persons regardless of the cause and will continue to take rigorous action against those guilty of such offences.

### **COMPLAINT RIGHTS**

If you are not satisfied with how this request has been handled or with the information provided, please read the advice notice attached to this letter. If you do wish to take up your right of complaint, please remember to quote the reference number above, in any future correspondence.

Yours sincerely,

Emily Dawson  
Disclosure Officer.
