Morning Redacted,

Please see the email from Government Orders below.

The files are those that we sent to you last year as part of the Infected blood inquiry. Could you confirm whether you are in a position to return them to TNA?

Redacted, it makes sense I think for you to arrange the return or continued retention of these files. I will let TNA know that we have transferred them to DHSC. Another reason to get the MoG paperwork formally completed asap, so grateful for an update please.

Regards
