Dear Mr Isingrini,

LEONARD CHESHIRE DISABILITY FEES – INFLATIONARY UPLIFT 2015-16

Thank you for your continued use of Leonard Cheshire Disability to provide care and support services.

We appreciate the significant financial challenges your authority faces and know you will understand that as an operator we also bear the full impact of the inflationary pressures.

We have taken great care to identify the increases in costs which we face in the coming year as a result of external factors beyond our control and have, for a number of years, taken steps wherever possible to minimise the impact. Despite these efforts we have identified a need to raise our fees by 3.1% for 2015/16 due to the impact of inflation.

I would be grateful if you could confirm your acceptance of this request in writing to me at the above address by Friday 23rd January 2015. I will also be happy to meet with you to demonstrate how we are working together to provide maximum value for money for you as commissioners, whilst continuing to provide sustainable high quality care and support services.

We look forward to continuing to work in partnership with you and look forward to your response.

Yours sincerely,

Sandra Rizzo
