

1. **Compensation and adjacent landowners**
2. **Quality of Orders and submissions**
3. **Latest edition of Waymark**

1. An authority raised an issue of compensation and adjacent landowners, following a claim for compensation from an adjoining landowner affected by a creation Order. We went to Defra for their view however it is a tricky issue for which they don't have a definitive answer. [REDACTED]

[REDACTED]

[REDACTED]

Have any of you knowledge or experience of 'actionable at his suit' which might help with this issue? Could I have any responses by 14 August please.

[REDACTED]

Inspectors should refrain from making firm statements on compensation i.e. that adjacent landowners are not entitled to apply for compensation, unless they have expertise on the 'actionable at the suit of' issue.

2. A lot of Highway teams in local authorities are now undertaking rights of way work. [REDACTED]

[REDACTED] The RoW teams are monitoring the situation [REDACTED]

[REDACTED]. It would be useful if Inspectors could do the same, could any feedback please be sent to [REDACTED] who will collate it for me.

3. Please use the following link to Access the summer edition of Waymark
[WAYMARK SUMMER 2015](#)

Whilst [REDACTED] is out of the office [REDACTED] will be helping [REDACTED] cover the casework and [REDACTED] will be assisting with the policy & guidance side of things.

If you have any questions with regard to this RoW Note please contact me in the first instance.
