Dear Mr Banton,

## **Freedom of Information Request – Byway Closure ETRO around Stonehenge**

Thank you for your request for information dated 06 August 2018, in which you asked for the following information:

Please will you provide a copy of the Risk Assessment carried out by Wiltshire Council prior to this ETRO being put in place.

Please will you also state which other agencies and organisations were consulted, and at what dates, in order that the Risk Assessments that they may have carried out prior to their agreeing to Wiltshire Council's plan may be requested from them in turn.

Under the Freedom of Information Act 2000 ('the Act') The Council is obliged to:

- Let you know whether we hold the information you have requested
- Provide you with the requested information, if held, (subject to any exemptions under the Act which may apply).

I am writing to advise you that, following a search of our records, I have established that the information you requested is not held by the council.

There is no risk assessment document and no other agencies or organisations were consulted as the clearway order along this stretch of the A303 prohibits motorists from stopping.

I am satisfied that the information you requested is not held by the council and that this confirmation satisfies the requirements of the legislation.

If you are dissatisfied with the above response you have a right to request a review of your request for information. Details of the complaints and review procedure are appended to this letter.

Yours sincerely

Kyle McCormack  
Information Governance Officer

## **Freedom of Information Complaints & Review Procedure**

Any person who has requested information from Wiltshire Council, which has been dealt with under the Freedom of Information Act is entitled to complain and request an internal review of their request for information if they are dissatisfied with the response they have received.

Requests for review of Freedom of Information requests must be made in writing (includes email) to:

Please include the reference number, date of your request and details of why the review is being requested. Requests for review should be brought to the attention of the Freedom of Information Lead within 40 calendar days of the response to the original request.

Any request for review will be acknowledged in writing confirming the reasons for the review. The Freedom of Information Lead will allocate the review to someone who is independent of the original decision. The person conducting the review will set a target date for a response with the intention to complete the review within 20 working days. In more complex cases the review may take up to 40 working days.

The reviewer will conduct a full review of the handling of the request for information and of decisions taken, including decisions taken about where the public interest lies in respect of exempt information where applicable. The review enables a re-evaluation of the case, taking into account any matters raised by the requestor.

On completion of the review the reviewer will reply to the requestor with the result of the review.
