Dear Mr Banton,

Review of your request – reference RFI - ENQ09658 REQ002

Thank you for your request for a review of the council's processing of your information request.

Wherever possible, in accordance with the council's review procedure, the review will be dealt with by an officer who was not involved in the original decision. I am now investigating the matter and will write to you when I have considered the issues involved.

The review procedure states 'reviews should be completed as soon as possible, and in any event within 40 working days of the request for a review being received by the Governance Service.' The time will depend on the workload and availability of the various officers involved, and the amount of information to review. I will be back in contact with you as soon as possible.

Yours sincerely

Josie Convery
Senior Information Governance Officer
Wiltshire Council
