- 4/ Could you confirm and provide dates, details and /or documentation relating to any meetings held with all emergency services and safety advisory groups relating to the event on 26/12/2019

Response

East Sussex County Council do not hold any information relating to this request.

Historically East Sussex County Council have not had any involvement in this event. We are advised by East Sussex Highways, that in previous years, the road is closed under a Town Police Clause authorised by Lewes District Council. It has been agreed that for future events (2020 and beyond) East Sussex County Council should be involved in authorising the road closure (utilising a 16A closure for events), however, to date no such application has been received.
