**Please note: the Welsh Government is facing unprecedented challenges during the coronavirus (COVID-19) pandemic. As a result resources, both finances and people, are being diverted away from many of our usual activities to deal with the pandemic. This will undoubtedly impact on our ability to comply with the normal requirements for information rights work and as a result you may experience delays when making information rights requests during the pandemic. We thank you for your understanding during this time. The following is a link to the blog page of the Information Commissioner's web site where you can find an article entitled "FOI and the coronavirus: a measured approach"**
