Dear Mr Mery,

RE: ICO decision notice relating to case reference number: FS50514652

I am writing in relation to the complaint you made to the Information Commissioner's Office in relation to the investigation report that was commissioned to investigate an incident that occurred at River House in late 2012. The Information Commissioner's published a decision notice dated 21 January 2015.

The Trust previously partially disclosed the complete report with the remaining information withheld under sections 38(1)(b) and 40(2) of the Freedom of Information Act (2000).

The Information Commissioner has found that section 40(2) but not section 38(1)(b) of the FOI Act engaged. As required in the Information Commissioner's decision notice dated 21 January 2015, the Trust has now published the complete report disclosing the information to which section 38(1)(b) was previously applied.

You can access the report on the Trust website at the Policy and Publications section. The direct link to the relevant section of the website is provided below:

Please do not hesitate to contact me if you have further queries.

Yours sincerely,
