**Desc.:** DALEKEITH ROAD, HARPENDEN IS IN A SHOCKING STATE. THERE IS A POT HOLE CLOSE TO THE JUNCTION OF CRABTREE LANE WHICH IS VERY LARGE AND DEEP I CAN'T BELIEVE NOTHING HAS BEEN DONE?? OTHER ROADS IN THE AREA WHERE RESURFACED LAST YEAR BUT DALEKEITH BEING THE MOST DAMAGED ROAD WASN'T? IT IS VERY DANGEROUS AND AN ACCIDENT WAITING TO HAPPEN. THE ROAD JUST KEEPS ON BEING PATCHED UP WHICH DOES NOT LAST IT NEEDS TO BE RESURFACED ASAP. RESIDENTS PAY A LOT IN COUNCIL TAX ON THAT STREET IT SHOULD BE RESURFACED.

Service: ROAD AND CYCLELANE DMA      Subject: ROUGH/UNEVEN/CRAZING SURFACE      Classification: Service Request

Desc.: The entire length of this road is strewn with potholes, broken surface areas, worn away patched repairs, loose materials , it is a complete mess and becoming increasingly dangerous as cars swerve to avoid the damage. The whole road needs to be closed and properly resurfaced once and for all - it is totally unfit for purpose. Why this road hasn't been prioritised for repair is beyond belief - other nearby roads have been resurfaced which were in a much better condition e.g. Aldwickbury Crescent. This needs urgent action please.

Desc.: Dear Herts Highways,

I am Cllr Dean Russell submitting this report on behalf of residents of Dalkeith Road. Residents have reported several potholes which they consider to be dangerous for vehicles and risk unnecessary incidents.

There are multiple potholes. Please address as soon as possible as residents have complained that issues are not being looked into/fixes.

Many thanks

Cllr Dean Russell

Desc.: Do to the winter weather it is now full of holes of varying depth from one end of the road to the other. I noticed that you have filled in ONE of the deeper potholes, why fill in just one hole and not deal with the whole road. The road is now no better than a rough and bumpy dirt track in a 3rd world country. Many car are now weaving and swerving to avoid the very uneven surfaces, action needs to be taken immediately before there are serious accidents on the road.

**Service:** Carriageway/road/cycleway **Subject:** Pothole 7 Dy Permanent Repair **Classification:** Service Request  
**Desc.:** outside house number 8 and all around this part of the road, large pot hole, could be a danger as is right at the side of the road where cyclists etc ride. Alos, near to number 54, there is another large hole, base of the road surface is showing through etc. This one is in a similar position so is also a danger. Some of the repairs done previously are poor, and the road surface needs general inspection.

Service: Carriageway/road/cycleway      Subject: Utility Issue      Classification: Service Request

Desc.: Outside of number 65 Dalkeith road are potholes that have appeared suddenly due to the gas and water leak, there are about 6 holes on the road. The gas is bubbling through the road. The water company have not responded in an urgent matter, the engineer made a wrong diagnosis of the issue and now it has escalated to a serious issue. Infinity water. No signs have been put in place.

**Service:** Carriageway/road/cycleway **Subject:** Rough Or Uneven Surface **Classification:** Service Request  
**Desc.:** The centre line (crown) of Dalkeith Road has now broken up creating a chain of potholes through the upper surface and joining together along the crown of the road. This is causing car tyres to 'tramline' and is dangerous as it pitches cars into opposing traffic. This was caused when the road markings were removed. In the view of many residents this now needs urgent rectification along with remarking the centre line.
